Welcome to our Newsletter 9th January 2026

Dear Parents,

Welcome back and Happy New Year to you all! It's been a cold start to the year, and the weather isn't forecast to be much better over the coming week. Thank you for getting your child/children to us despite the challenges at the start of the week.

I sent a list of dates for this term to you all during Christmas week in my final newsletter. These are also on our website for you to refer to. Swimming lessons for some year groups started this week.

Sky Theatre starts on Tuesday next week which is a dance competition for local schools. It is open to all children, and it is available on Arbor to book on to. A letter about it went out this week.

Enjoy your weekend,

Mr Tremarco

We kindly remind; could you please not drive down School Lane at the start and end of the school day, for safety reasons.

In addition, we have been made aware of some parking that is causing problems on Church Street. If you are finding it difficult to park safely, there is always availability at the Village Hall.

We will recognise children who do this by rewarding house points as part of supporting the local community.
