Dear Parent/Guardian,

Did your child really enjoy their experience performing in the school nativity or Christmas production? Have they shown a spark for performing? Do you want to help them grow in confidence?

Why don't you book a 2 week free trial at Performing stars for January 2025! We offer a range of classes from stage school and musical theatre to ballet and street dance. In January we are also launching a Circus skills class! So there really is something for everyone.

We only have qualified, DBS checked teachers working for us, who are all passionate about giving each child the best training and experience possible. Their passion and care really shine through and is what makes PSA so special. We also teach from our very own wonderful studios which means your children are safe in our care.

Drop us an email today - info@performingstars.co.uk or call Suzanne on 07947092875 to discuss what classes would be best for your child to try.
