Drumba

On Tuesday 15th October all children will get the chance to take part in a Drumba Workshop. Drumba is a mixture of drumming and exercise and is great fun for all.

All children will need to make sure they come in their P.E kits and have sensible footwear.

Base Two will need dropping off at the Village Hall. Parents with more than one sibling should drop off at school first.

Move it Boom

Move it Boom has now launched. Remember to create an account and track your movement.

Scalford Sport

Encourage your child to join the Move it Boom Secret Monster Society and win prizes for your school.

Leicestershire Partnership NHS Trust has teamed up with local partners and is launching the Move it Boom Monster Hunt 2024. A physical activity competition for primary school children across Leicester, Leicestershire and Rutland, the Move it Boom Monster Hunt launches on Monday 7 October and ends on Friday 13 December.

We'd love your child to take part and win prizes for their school.

Children record the physical activities they have done through the Move it Boom website (leicester.moveitboom.co.uk/) and earn points.

As they do so, they venture on the Move it Boom Monster Hunt in search of a missing professor. The more activities they log, the more parts of the story they open, trophies they unlock, monsters they meet and clues they uncover!

Why your child should take part?

The schools with the most points at the end of the competition will win a fantastic prize from one of the MIB partners.

Throughout the competition, your child will be able to track their school's progress and find out if they've made the top 10 leader board on the Move it Boom website.

How does it work?

- Encourage your child to visit leicester.moveitboom.co.uk/ or do so together from Monday 7 October
- They will be asked to select their school, choose an anonymised username and will be given a password that they will use every time to access their Move it Boom account
- Children then record the physical activity they have done, getting points for their school. The more activities they do, the further they will venture on the Move it Boom Monster Hunt

We'll be sharing more information throughout the competition on our social media accounts:

Twitter @moveitboom

Instagram @moveitboom

Share what you're doing as a family using the hashtag #MoveitBoom
