News

Active Travel Month

For more information on how you can support your child to get involved please see the information on the next page.

Melton and Belvoir Primary Cross Country Championships - Long Field

Remember to contact the office by Tuesday 1st October if your child is planning on attending. This information will then be passed onto the organiser or the event.

Please note that a member of staff will only attend if there is enough interest.

Move it Boom

After launching for the very first time last year, the Move it Boom Monster Hunt is back. This is a physical activity competition from Leicestershire Partnership NHS Trust.

Children will be setting off on an online adventure to track down a missing professor, where they will meet a variety of mysterious monsters from around the world as they go!!

The more physically active they are, the more parts of the story they will unlock, rewards they will earn and monsters they will uncover. Every activity they log via the Move it Boom website will also go towards earning points for their school on the Move it Boom leaderboard.

You can access the Move it Boom website, but you cannot create any accounts until the launch on Monday 7th October!

Look out for more information being sent out next week from the office.

Friday 27th September

SCHOOL GAMES

Scalford Sport

Active Travel Month – October 2024

Scalford C of E Primary School will be taking part in the Leicestershire Active Travel Month in October which aims to increase the number of children travelling to school by walking, cycling and scooting. Actively travelling to school has many benefits for your child: it helps keep them fit and healthy, can increase concentration levels in class, helps to develop road safety skills and is fun. Reducing the number of cars around the school will also help to make the area quieter, safer and less congested.

During October each class will use their active travel wall chart to record how pupils are travelling to school during the month.

If you are not able to travel actively all the way from home you can still take part by parking a distance from the school (e.g. at the Village Hall) and walking, cycling or scooting the rest. Please make sure your child's bike and scooter is safe to ride to school and you park in a safe and appropriate place.

Remember to send any photos of your children actively traveling to school to the office so that they can be included in the Sports Newsletter.
